### Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the disease from the system. It is a cure all but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at W. T. Brooks'. Get Green's Special Almanac.

### The Knock-Out Cigarette.

Capt. Peter Miller, the head of the detective bureau, showed a visitor the other night a cigarette. It was long and slim, with a straw mouthpiece, or tip, and looked like any other expensive cigarette, except that it had no name on it.

"This," said the chief, "is the latest device of the law-breakers—a knock-out cigarette. Innocent as the small contrivance seems, the inhalation of ten whiffs of it would throw the strongest man into a coma. The cigarette was sent to me by a Chicago crook whom I once befriended. The man tells me that an Illinois chemist is manufacturing the nefarious things and selling them to 'the profesh' at the rate of \$10 for a box of five. They look like a good cigarette, and they taste like one, but they bring on a ten minutes' unconsciousness, and in ten minutes much can be done. The box they come packed in is yellow."—Philadelphia Record.

### Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Greens August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at W. T. Brooks'. It quickly cures Coughs, Colds and all Lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two billion bottles sold annually. Boschee's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price, 75c. ## SCROFULA

I bequeath to my children Scrofula with all its attendant horrors, humiliation and suffering. This is a strange legacy to leave to posterity; a heavy burden to place upon the shoulders of the young.

This treacherous disease dwarfs the body and hinders the growth and development of the faculties, and the child born of blood poison, or scrofula-tainted parentage, is poorly equipped for life's duties.

Scrofula is a disease with numerous and varied symptoms; enlarged glands or tumors about the neck and armpits, catarrh of the head, weak eyes and dreadful skin eruptions upon different parts of the body show the presence of tubercular or scrofulous matter in the blood. This dangerous and stealthy disease trenches itself securely in the system and attacks the bones and tissues, destroys the red corpuscles of the blood, resulting in white swelling, a pallid, waxy appearance of the skin, loss of strength and a gradual wasting away of the body.

S. S. S. combines both purifying and tonic properties, and is guaranteed entirely vegetable, making it the ideal remedy in all scrofulous affections. It purifies the deteriorated blood, makes it rich and strong and a complete and permanent cure is soon effected. S. S. S. improves the digestion and assimilation of food, restores the lost properties to the blood and quickens the circulation, bringing a healthy color to the skin and vigor to the weak and emaciated body.

Write us about your case and our physicians will cheerfully advise and help you in every possible way to regain your health. Book on blood and skin diseases free. **THE SWIFT SPECIFIC CO., Atlanta, Ga.**

THE Legislature of Mississippi will probably be asked to consider a bill to prohibit the game of base ball between the first of September and the close of each year. The reason given for this is rather peculiar. It is said that when the negroes become profoundly interested in base ball. In one little town the other day nine games of base ball were in progress at one time, thereby making 153 men from the cotton fields, without counting the spectators. As the negroes keep their ball teams organized the year round in some of the cotton regions, it is held that they can get enough of the game in eight months of the year. But if base ball be prohibited, probably those who are not anxious to work will find some other way of amusing themselves during the picking season.—Courier-Journal.
